Hello!

I'm Mr. Colonial, your school mascot. You see, I've been watching you. I've been around a long time, since that day in 1727 when Shrewsbury, Massachusetts was incorporated. And now I am in your book and in the center of the S. H. S. seal. Yes, that's me. I've been here a long time and, as I say, I've been watching you. I've seen your school grow from a small wooden structure, into a great and progressive institution. I've seen classes, teachers, and students all come and go. I've seen some great athletic teams, some great clubs, some great individuals. Yes, I've been around quite a while and now I'm ready to become one of you. I want to go to classes, sing in the Glee Club, and play sports with you. I want to meet Mr. Cooke and the teachers, attend dances, and be part of the many activities which I have watched all these years. So, please, won't you let me, Mr. Colonial, join you and become one of you?

The Class of 1960 Presents

THE COLONIAL

Shrewsbury Junior-Senior High School

Shrewsbury, Massachusetts

We Dedicate

Miss Dorothy M. Churchill

As students of the Shrewsbury, Junior-Senior High School, we have been very fortunate in having the invaluable instruction and guidance of Miss Churchill. Because of her sincerity, service, devotion, and good nature, she is loved and looked up to by all.

Our admiration and respect have caused us to dedicate the 1960 Colonial to you, Miss Dorothy M. Churchill.

This Book To You

Mr. Clifford Fountaine

Mr. Fountaine has a special meaning to the class of 1960. He has devotedly given his service and assistance to the boys in shop, and has faithfully instructed many of us in the Driver Education Program. As a small payment for all we owe him, we, the class of 1960 wish to dedicate this yearbook to Mr. Clifford Fountaine.

We came to . . .

Search for Knowledge

Behind our constant search for knowledge is the thought of becoming worth-while citizens for our community and better Americans for the world.

We all have chosen a goal, for which we have strived with spirit and enthusiasm for the past four years. We

realize that attaining our goal will be a long and difficult process, but with the background of knowledge and practical experience that we have gained from this superior institution, we are confident that our efforts will succeed.

"Brrr . . . it's cold!" chatter these shivering students as they disembark from the school buses.

"Correct study habits are very important," says Mr. Dorsey.

"This is a hard one Mrs. Hastings!"

These seniors are getting a head start on their theses.

We came and . . .

Grew Together

A few minutes to discuss the latest school news.

The end of a long and busy day.

The perfect way to celebrate our Thanksgiving Day football victory.

Entering our first year of high school we were excited to find new friends and a little timid to be ourselves. Most of us were seeking a goal we had set for ourselves and others were working to seek knowledge for future developments. Working together in class activities helped us to realize our abilities and shortcomings. By gaining the virtues of our fellow classmates we developed in personality and character. Our senior year came upon us swiftly, and our relationships were closely knit. As a class we had attained unity and as individuals we had reached our goals.

"What a ball!"

"Would you repeat that question once more please?"

An early morning rehearsal.

We came and . . .

Joined with Pride

Our National Honor Society March installation.

"What's next on the agenda?"

Our athletic seniors.

"Let's try it again."

Like this?

We came and . . .

Burst With

The cheering at fall football games, the marching band on Memorial Day, the tiring afternoons of play rehearsal, and the decorating of the cafeteria for a school dance. Yes, Shrewsbury High is a great and progressive institution, which is bringing out our youth, and making the most of it.

"Come on boys, just two more points."

"We want a basket."

Youth

"And a good time was had by all."

"Hey! Lynn and Betty, come on down."

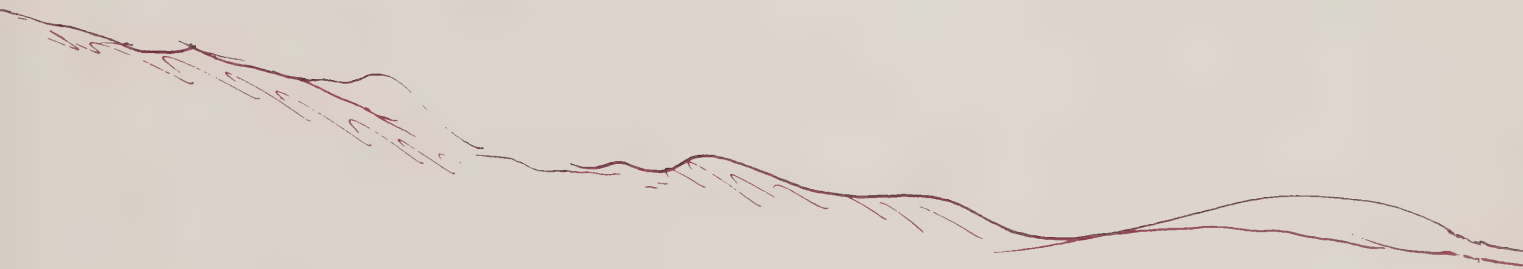

"How dare you scream at me that way!"

... To Seniors

Do You Remember When

Our freshman class officers—Brian Pehl, President; Susan Larson, Vice-President; Deborah Black, Treasurer; and Elaine Sampson, Secretary — were elected.

We held all our class meetings at the Town Hall.

Miss Prouty brought around all the daily notices.

Our Young Debaters formed their club.

Miss Chase conducted the girls' gym classes in the Center School playground.

Mr. Gilmartin conducted his singing Latin classes.

Jay Johnson finished one J.B.T. class without his shoes.

Some of the lucky freshmen made the athletic teams at the high school and

Betty Anderson began her varsity basketball career.

The Glee Club and Band went to Coventry, Rhode Island.

Both boys and girls knitted squares for the Red Cross.

The shop classes made their frequent stop at the center for refreshments.

Our class sponsored the freshman social, "The Seaweed Shuffle."

Sandra Micket made her spirited oration about Glee Club.

Some of our present varsity players held their terrific basketball games in back of the Center School.

Everyone was dying to invade the Fallon home and take over the swimming pool.

We participated in the Science Fair.

We ate our meals in the cellar of the Center School.

Practically the whole school sat on the library lawn after lunch.

The seniors palmed off their yearbooks without covers on us.

Mr. Coulter became the proud "papa" of a little girl.

Everyone waited to hear the twelve o'clock whistle signaling lunch time was near.

A certain Boxer who had an affinity for snoring found a new home in Mrs. Hamel's English class.

We held our memorable class picnic at Dean Park.

We elected our sophomore officers: Richard Lorusso, President; Susan Larson, Vice-President; Deborah Black, Treasurer; and Elaine Sampson, Secretary.

We transferred from the Center School to Beal as knowing sophomores.

Mrs. Flexer was advisor of the successful Colonial Debaters.

Our three newly elected cheerleaders, Carol Giumentaro, Jane Zecco, and Carole Johnson, performed with enthusiasm.

Everyone was selling magazines for our annual drive.

We took field trips with Mr. Connelly in biology.

The Drama Club presented "The Birthday of The Infanta."

We had eight different Algebra II teachers.

Mr. Connelly's "Josephine" was hanging in the closet.

Our glee club member, Dianne Walent, fell into the trash barrel at the Senior Graduation performance.

We held Hawaiian Luau, our sophomore hop.

Bob Carlson piloted his paper plane from Miss Rowe's English class right into Mr. Cooke's office.

Pat Saxton was the only girl in the golf team.

Richard Lorusso, Susan Larson, Deborah Black, and Elaine Sampson were re-elected.

We had sewing machines for desks.

We traded Beal High for a new model.

Our new Vice-Principal, Mr. Bannon, joined us.

We had those terrific car parades and rallies for football games.
 Our football team tied North High, then the Worcester champions.
 School opened with a confederate flag flying on the front lawn.
 Gerald Tammi was the first to try out the chemistry lab shower.
 The Worcester Foundation was our class's favorite working place.
 Our science club, Sigma Eta Sigma, was organized.
 Susan Larson and Betty Anderson were chosen to represent Shrewsbury at
 Girls' State.
 Richard Lorusso, Mason Ide, and Anthony Trippi were chosen to represent
 Shrewsbury at Boys' State.
 The girls' basketball team were the runners-up for the Central Massachusetts
 championship.
 Pat Wood's pocketbook caught fire in home economics class.
 Susan Larson was chosen chairman of the junior prom, and Carole Johnson was
 chosen chairman of decorations.
 Linda Snow painted herself into the well while decorating for the junior prom.
 Carol Borgatti's party made a perfect ending for our prom.
 Karen Lingaitis and Barrie Butler directed the variety show.
 The new school was officially dedicated in May of 1959.
 The landscapers forgot their work to look in on our classes.
 The court yards became lumbering camps.
 The temperature hit one hundred degrees in the science labs.
 Some of our girls ushered the senior's graduation.
 Miss Nelson became Mrs. Belanger, and Miss Adams became Mrs. King.
 We came to school in September of 1959 as dignified seniors.
 We, as seniors, were led very capably by President Anthony Trippi, Vice-Presi-
 dent Susan Larson, Treasurer Deborah Black, and Secretary Joan Belanger.
 Linda Estabrook was elected President of the Student Council.
 The girls' field hockey team had an undefeated season.
 The girls' field hockey team painted the goal posts on Thanksgiving eve.
 The football team won the Thanksgiving Day game.
 We had a great celebration at the Victory Dance.
 We had the day off to take the town census.
 Our school was host to the State Drama Festival.
 Our debating team won the Massachusetts State Speech Festival.
 The All District Chorus was held in our school.
 Susan Larson was chosen as Editor-in-Chief of the 1960 COLONIAL.
 John Jasper scored more points than anyone in the history of our school.
 The boys' basketball team won the Central Massachusetts Conference.
 Betty Anderson scored 51 points in one game.
 Mr. Lavelle gave Sue and Karen a birthday cake.
 Twenty-nine seniors were inducted into the National Honor Society.
 We went to Washington and New York for our fun-packed, educational senior
 trip.
 Our never-to-be-forgotten class banquet was held.
 We marched up and down the aisle until our feet ached, practicing for
 graduation.
 We gathered sadly together on class day for an inspiring program.
 The last of the diplomas were given out on graduation night, and we marched
 out together as a class for the last time.

Class motto: "Our best today for a better tomorrow."

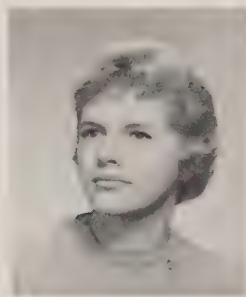

Class colors: Maroon and white

Making Plans for the March Installation.

The National Honor Society was established by the National Association of Secondary School Principals for the purpose of recognizing students who are outstanding in character, scholarship, leadership, and service.

To be a candidate for membership, a student must be in the upper third of his class. In May, seven per cent of the Junior class is elected to the Society by the faculty and the Faculty Council. In March of the Senior year, eleven per cent of the remainder of the class is chosen for membership.

Service is one of the requirements for membership, and many opportunities for service are offered in the work of the Society. National Honor members arrange for the decoration of the war memorial on the Common for Memorial Day and send CARE packages to poverty-stricken families abroad. Other activities have included a motion picture assembly successfully carried out with the help of Miss Sawin, Mr. Donovan, and Mr. Jacobs.

The members of the National Honor Society are continually working to live up to their pledge to be loyal members of the National Honor Society in the Shrewsbury High School; steadfast in their purpose to abide by the right, to serve all just causes, and to seek the truth with their whole hearts. They prize scholarship as a sacred trust, and a noble character as their most valuable possession. Beneath the banner of Honor and Progress they loyally serve.

Thus, some day they may proudly accept the phrase "well done."

Student Council is Host To The Fall Convention

The Student Council is the official representative of the student body in the high school. It is composed of fifteen members who are elected each year by their respective classes. Four Sophomores, five Juniors, five Seniors, and the Senior class president comprise the Council. Officers are elected by the Council in the fall of the year. Officers this year were: Linda Estabrook, President; Robert Casey, Vice-President; Sharon D'Alessandro, Secretary-Treasurer.

The purpose of the Council is to enable its members to gain experience in the practices of democracy and leadership, and to give students the opportunity to participate in finding solutions to school problems. The students are aided by Mr. Cooke and advisor, Mr. Zaido.

Last June, Linda Estabrook and faculty-sponsor Miss Sawin attended the National Student Council Convention in Pittsburgh, Pennsylvania. Linda ably represented Shrewsbury High School as a discussion leader at this convention.

The Student Council's most important task was that of being host to the fall convention of the Central Division of the Massachusetts Association of Student Councils. Under the invaluable direction of our new advisor, Mr. Zaido, and with the co-operation of the Student Council members, the convention was a success.

The Student Council is a very active organization. Each year it supervises class and Good Government Day elections. Under its guidance is the Junior Red Cross, cheerleaders, and the point system. An agreement was made with the Auburn High School Student Council to award a trophy to the victorious team in the annual Thanksgiving Day football game. The Council has revised the school handbook and sold new Student Council folders.

The Student Council accomplished a great deal this year and will continue to be an outstanding body which offers many services to Shrewsbury High School.

N. F. L. Receives Leading Chapter Award

First Row: R. Todd, S. Flynn, Miss Elizabeth Rowe (advisor), S. Munson, S. Packard, B. Williams, J. Lorusso, Miss Dorothy Churchill (advisor), S. Micket, S. Larson. *Second Row:* J. Borgatti, L. Carlson, L. Erikson, J. Steinhilber, N. Abodeely, J.

Tetrault, S. Lotuff. Third Row: W. McOwen, P. Angermann, D. Wivagg, R. Arakelian, P. Zuromskis, G. Tammi, S. Rochette, C. Carlson, S. Wood, J. Packard, C. Sharpe, R. Abair, C. Ramsey.

On September 21, 1959, the Shrewsbury Chapter of the National Forensic League, under the dedicated leadership of Miss Dorothy Churchill and Miss Elizabeth Rowe, held its first meeting. The following officers had been chosen the previous spring: Bette Williams, President; Stephen Packard, Vice-President; Julie Lorusso, Secretary; and Stephen Munson, Treasurer. Stanley Wood was added to the executive board in the fall of 1959 as Publicity Manager.

Beginning in October of 1959, NFL and prospective NFL members participated in forensic activities that range from debating to extemporaneous speaking. The group entered seven tournaments, and many of our debaters and speakers received top honors as well as honorary awards which were received by Shrewsbury High School as a whole.

Other than speech tournaments there were two Student Congresses held at the State House in Boston and at Edward Little High School in Auburn, Maine. To both we sent able representatives and were well recognized.

Last year the Central Massachusetts Forensic Association, of which Mr. Nicholson is president, was established by eight schools in Worcester County for the purpose of stimulating interest among intermediate debaters. The planned program for this organization was a debate tournament held once a month at one of the eight schools. Four such tournaments have been attended—one at Hudson, one at Notre Dame of Fitchburg, one at Grafton, and the most recent at Shrewsbury. The program thus far has shown signs of enthusiasm and progress.

On October 15, 1959, the Shrewsbury Chapter of the New England District of the National Forensic League received the

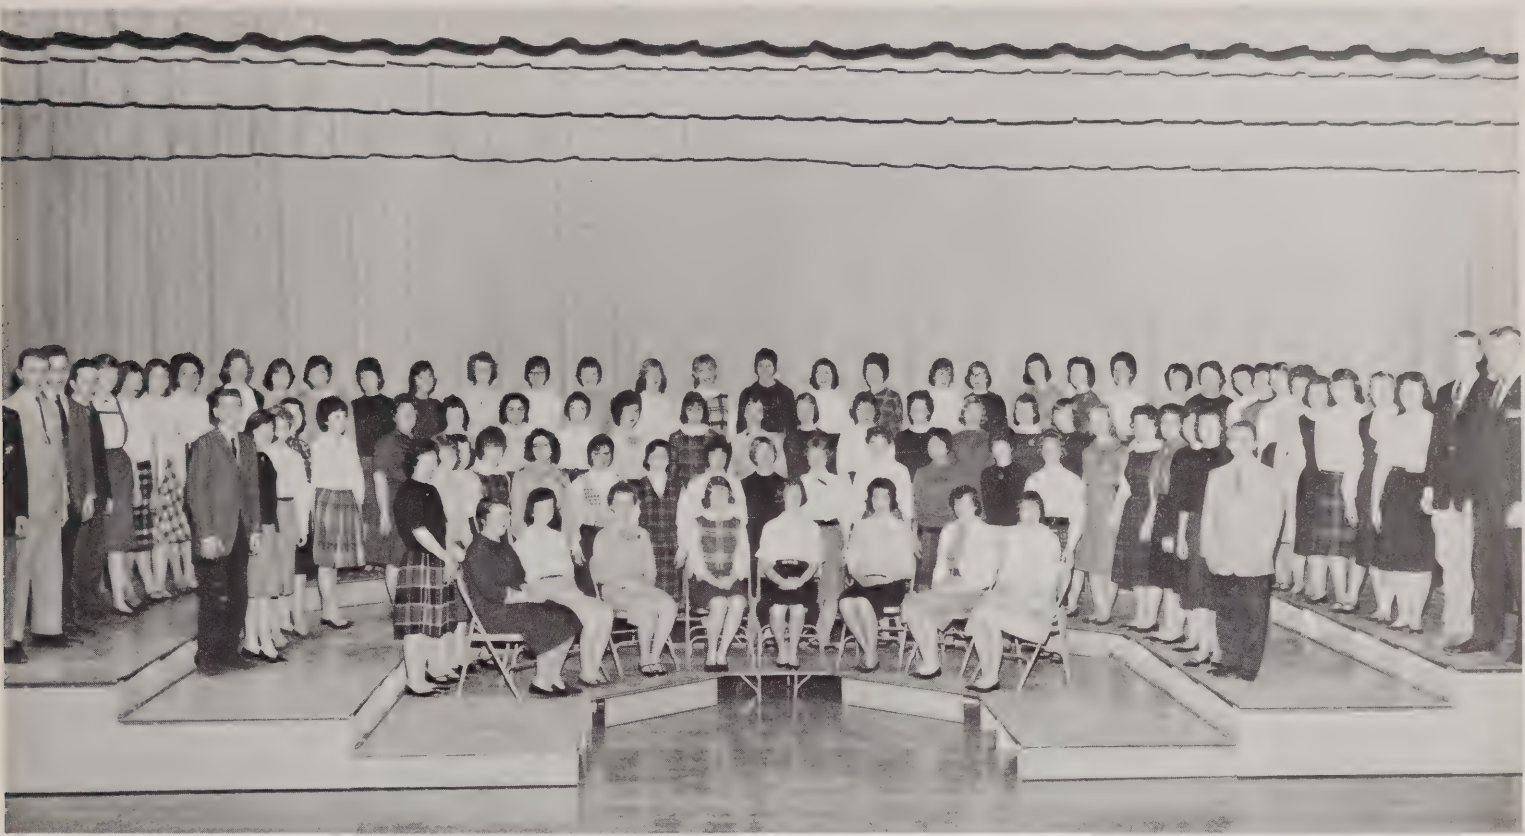

Leading Chapter Award for this district from Mr. Bruno E. Jacob, National Secretary of the National Forensic League. This was, indeed, one of the happiest moments for Shrewsbury's NFL.

This past year was one of the most active and rewarding of any in NFL's history, and it is without a doubt that it proved to NFL members a year of invaluable experience and achievement.

A well deserved Feast.

If any of us possessed a desire to expand our personalities and really have a chance to show-off a bit of our ability to perform, we found our opportunity in the Masque and Wig Society. This extra-curricular activity proved to be an interesting and exciting outlet for the excess energy that most of us had.

At the close of school last year, the following officers were chosen to form the backbone of our organization: President, Becky Todd; Vice-President, Maureen Molloy; Secretary-Treasurer, Deborah Black; and Corresponding Secretary, Marianne Perreault.

This year we were fortunate to be the host school to the State Drama Festival that was held on March 19, 1960. Being a force of seventy-two members, we were able to carry it out with success as well as receiving a great deal of enjoyment.

Under the able direction of our advisor, Miss Elizabeth Rowe, we had a fine and successful year as one of the most outstanding groups in our school.

Our school newspaper, the Town Crier, which is staffed entirely by the students, is published four times a year under the guidance and supervision of Miss O'Hara.

The aim of the paper is to provide an outlet for the diverse literary and artistic talents of the students. There is a great deal of hard work put into the paper by the reporters, authors, and artists of the staff, who continually contribute their articles. A wide variety of these articles are also contributed by students who are not on the staff, this makes both a colorful and informative paper.

The literary and news department write the latest developments in sports, club and class activities, newspaper exchanges, fashions, and creative pieces in the field of books, music, and short stories. The art staff designs the cover of the paper, while the business staff makes an all-out effort in selling and distributing the paper.

Publishing the Town Crier has been a rewarding experience, and it is hoped that the future staff will enjoy editing it as much as did the staff of 1960.

020 Club Aids Efficiency In Library

What does 020 mean? It's not a formula in chemistry or physics, but the official library sign, which is also the title of our library science club—the busy group of active and alert girls helping Mrs. Flagg operate the library smoothly and efficiently. Getting books into circulation is a long, tedious job: each book must be carefully numbered, stamped, covered, filed, and card-catalogued before it is ready for the shelf. Besides making books shelf-ready, 020 Club members manage the charge-out desk, keeping track of overdue books and becoming thoroughly familiar with the arrangement of books and library procedures. Membership in the 020 Club is by recommendation and apprenticeship, and is limited to juniors and seniors. Helping out on the junior high days are several freshman “apprentices” who will later be eligible for membership. Our Library girls have already acquired from Mrs. Flagg those indispensable qualities needed for library assistance—responsibility, helpfulness, efficiency, knowledge, and friendly co-operation.

Getting books shelf-ready is a big task.

The Shomty Club is one of the newest organizations in our school. The name "Shomty" is derived from the first two letters of shorthand, office methods, and typing (sh-om-ty).

Membership is composed of seniors and juniors in the business course. These students must be enrolled in at least two subjects in the commercial field.

The members of the club meet on the first Friday of each month to discuss topics that will benefit them in the business world after graduation. The club tries to familiarize the members with business theory and practice, supplemented by outside aids in the form of speakers, films, and field trips.

Last year, the members of the Shomty Club went on a field trip to Boston College, where they participated in a business machine show. The field trip was beneficial both academically and socially—everyone seemed to enjoy it.

One of the first ventures of the club was a cake sale which was a financial success. Many activities are being planned to make this year an outstanding one for the Shomty Club.

Our Shomty girls are preparing for a business career.

One of our busiest organizations during the past year was the high school band, consisting of about forty members from both the junior and senior high levels. Hampered this fall by varying time schedules, we nevertheless worked out a satisfactory system of early-morning rehearsals. After becoming oriented to this schedule, we elected the following officers: Duncan Brown, President; Lois Daggett, Vice-President; and Linda Rustay, Secretary-Treasurer. At weekly meetings the officers and band director, Mr. Lorne Ford, made plans for the group. In September the band marched in a gala parade preceding the two-day Women's Club Fair. Through the cooperation of the other musical groups and the generosity of Shrewsbury residents the annual Music Association Drive accomplished its aims. Carrying out its traditional role during football season, the band attended all home games and helped to make the Thanks-

giving pep rally an enthusiastic occasion. Winter activities included numerous assemblies, both here and at other Shrewsbury schools. The annual Christmas Concert, held for the first time in our auditorium, was a memorable experience for all. Most of the band members participated in the Central Division All-District concert, where they made new friends and contributed to either of the two excellent instrumental groups. Several students received the great honor of being chosen for the Massachusetts All-State Band, which performed at the Worcester Auditorium. Spring brought a performance at the North Shore School, a "Pops" concert, and the Music Festival at Tantasqua Regional High School. All in all, the band's first complete year at the new high school was one of innovation, inspiration, and promise for the future.

This past year was a very busy one for Junior Red Cross representatives. Many activities were planned, and under the direction of our capable advisor, Mrs. Gaucher, they were carried out.

The first meeting was devoted to the election of officers, and chosen to lead the group were: Francis Bokis, President; David Garvey, Vice-President; Donna Long, Secretary; and John Jasper, Treasurer. After the election an annual membership drive was held and the proceeds from this were submitted the Worcester County Chapter of the American Red Cross.

Miss Horan, head of the County Chapter, came to Shrewsbury to show slides and to talk on the operation and achievements of the Red Cross. She also viewed a weekly meeting and gave helpful ideas concerning future projects.

The main project for the year was a toy chest for one of the local hospitals. The boys built the chest and carved wooden toys, while the girls made stuffed animals to delight the hospitalized children and make their stay seem shorter. In February a drive was held in all home rooms to collect Valentines for the patients in various area hospitals.

This year was the first full year that the Science Club has been active in our school. It was started by Mr. Donovan in the spring of 1959 and in less than a year has become one of the most active organizations in the school. The Science Club has drawn up its constitution based on the constitution for the nation-wide organization of science clubs. In the spring of 1959 the following officers were chosen: Anthony Trippi, president; Duncan Brown, Vice-president; Sheila Flynn, secretary; and Robert Carlson, treasurer.

The Science Club members planned field trips to various places of scientific interest. Experts in the fields of science and mathematics gave lectures and held discussions for the members.

Two of these were Mr. Jacobs, head of the math department at Shrewsbury, and Dr. Hoaglund of the Worcester Biology Foundation.

This year the members worked individually and in groups on science projects that were of particular interest to them. They then spoke about their projects to the whole club. In that way each member became acquainted with what the others were doing. Many of the talks were in the fields of guidance, engineering and medicine.

A committee of Science Club members was chosen to help with the Science Fair and to make suggestions for the improvement of the set-up for the fair.

Shrewsbury's string program has been in existence for about six years. This past year, under the direction of Mr. Narducci, its 38 members from the junior and senior high levels have been able to practice in a regularly scheduled period four times a week.

At the beginning of the school year the following were voted into office: President, Faith Cervin; Vice-President, Marcia Livingston; Secretary-Treasurer, Margaret Russell; and Manager, Arnold Carey. Early in the season the orchestra played various numbers during the intermissions for the school play, *She Stoops to Conquer*. For the first time our musical group participated in the Public Christmas Concert, while we also brought a bit of the Yuletide season to the North Shore School students.

In February, 1960, we were indeed honored to hear that two of our members, Marcia Livingston and Arnold Carey, had been selected to play at a special youth concert with members of the Boston Symphony Orchestra in the All State Orchestra, which performed in Worcester in April with other musical groups.

In March the Orchestra gave a public concert in the auditorium. As in previous years the organization played the processional marches for the National Honor Society installations, held in March and May of 1960. A Pops Concert in May ushered in spring with music ranging in variation from classical to contemporary to musical comedy. The Orchestra's final appearance came on Graduation Day when *Pomp and Circumstance* paid its regal tribute to the Senior Class.

Glee Club is Host to All District Concert

Our school glee club is composed of forty eight members, who form a close knit unit of friendliness and co-operation. Under their director, Mr. Louis Vella, they have maintained a peak of quality throughout the past year, which we have witnessed on numerous occasions.

First thing on the agenda for the glee club was the election of officers in September. The vote was close, but the officers finally elected were: President, Steven Munson; Vice-President, Sandra Micket; Secretary, Constance Allen; Treasurer, Deborah Black; Librarians, Donna Miller, Dianne Walent, Constance Allen; Managers, Robert Carlson, William Parmenter.

The first opportunity to hear the group sing was at the Thanksgiving Day assembly, and this was followed less than a month later by the inspiring Christmas concert—the highlight of the year. Next, the band and glee club combined again to help us usher in the spring season with their Pop's concert. We heard a variety of music—sacred selections, Negro spirituals, patriotic selections, folk tunes, barber shop, and selections from Broadway musicals. We were proud indeed to hear later that our glee club and band were invited to perform for our neighbor, Northboro Regional High School. The Memorial Day assembly brought to a close a *great* season of public performances for the glee club members, but before they put away their robes, they helped the school say farewell to the graduating class.

The biggest events in the lives of the glee club members were the ALL-DISTRICT concert, which was held in our new auditorium, and the ALL-STATE concert,

held in the Worcester Auditorium. We had many members representing us in both events, but we were especially fortunate to have nine of our members accepted in the state finals. They were: Gail Fuller, Dianne Walent, Deborah Black, Carolyn Hallgren, Lorna Peck, Stephen Munson, Bradley Field, Larry Price, and Stanley Wood.

The Leadership Training Club was organized soon after the opening of our new school. Its purpose is to meet the needs of the student who desires to further his gymnastic abilities.

In order that the group maintain a high standard, strict requirements are set. Interested students must receive C's or better in all academic subjects and must at all times conduct themselves as gentlemen and leaders.

The club offers the following gymnastic equipment for the use of its members: side horse, long horse, buck, parallel bars, high bars, and tumbling mats. Two new attractions, wrestling and weight lifting, have added to the all-over appeal of this organization. Each boy worked on the apparatus he felt he would do the best on. He also tried different and more difficult stunts on these apparatuses.

In April of 1959, the Gym Leadership Club presented its first annual gymnastic exhibition, and another show followed in March of 1960. At every home basketball game there were Leadership members who were responsible for the maintenance of the gym.

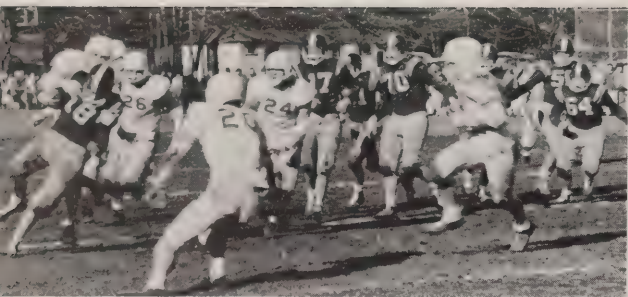

Our latest addition in the field of extra-curricular activities has proved a boon to further training for meeting the responsibility and challenges of life. This organization will continue its fine program in future years to those interested.

"Carl, you should join the Gym Leadership Club."

Along with the study body . . .

Whether they are seen in the football season in white sweaters and navy-blue pleated skirts or on the basketball court in colonial out-fits, the S.H.S. cheerleaders have abounding energy and pep. The cheering squad consists of nine vivacious girls: Jane Zecco, Captain; Carole Johnson, Kathleen Flanagan, Pamela Grosso, Mary Collamore, Marianne Perreault, Patricia Maurello, Linda Parmenter, and Lois Cronholm. The aims of the girls are to arouse enthusiasm in the student body and to cheer the teams on to victory. Within the past two years the cheerleaders have organized a pep squad to help them carry out the ambition of backing up Shrewsbury's athletes. Along with the pep squad, the cheerleaders participated in the football rallies which were held in the gymnasium. Several speakers were present to further stimulate a sense of loyalty and zeal in support of the grid-iron boys.

With the advent of the basketball season the "peppy nine" spent their afternoons practicing and perfecting new cheers. The squad was highly praised for their new cheer, "We've traced the map from North to South."

If our athletic teams have been triumphant, it has been more than partially due to our cheerleaders, who have added zest and color to all our games.

Has Undefeated Season

"Why did it have to rain today?"

The 1959 season proved to be a very successful one for the girls' field hockey team. Of a total of nine games played, three games were won, and the other six were tied. Betty Anderson scored four goals throughout the season and Sue Larson, Carol Borgatti, and Linda Snow made one each.

In the final moments of the exciting Millbury game the forward line, consisting of Carol Borgatti, Sue Larson, Jan Bartlett, Sandy Carlson, and Joan Belanger backed up by Betty Anderson, Maureen Fleming, Linda Snow, Carol Bartlett, Elaine Sampson, and Donna Long, rallied to score the tying goal that protected our undefeated record.

An expression of thanks and gratitude go to Miss Chase not only for her excellent coaching, but also for the inspiration that led to an undefeated season. The managers, Claudia Scott and Judy Hutchings, were most efficient and the services they rendered were greatly appreciated.

Under the leadership of Ellen Breen and Sandy Carlson the next field hockey season is sure to be a successful one.

Shrewsbury Girls Enter

The disabled veteran is co-captain, Pat Wood.

After a rather slow start, the girls' basketball team finished the season by winning the last five games and ended with a record of eight wins and three losses. The most exciting games were the two with Northbridge. In the first game with Northbridge, the score was tied 50-50 at the end of the regulation time. But in the overtime period Northbridge overpowered Shrewsbury, 57-54. The last game at Northbridge also went into overtime. Just as the buzzer rang at the end of the overtime period, Roberta Mawdsley was fouled. She made the foul shot and Shrewsbury won 43-42. Northbridge had been undefeated with an 11-0 record.

Shrewsbury was again invited to the Central Massachusetts Basketball Tournament at Grafton, and they made an impressive attempt to capture the championship.

The team would like to thank Miss Hall for her fine coaching and endless patience. The seniors hope next year's squad will have as fine a season as was had this year.

The Colonials, coached by William Keville, Donald Jolie, and John Flynn along with co-captains Dick Qualey and Dennis Leroux played a seven game season. Although the gridgers broke into the win column only once, they never went down without a fight.

The season started with a disheartening 28 to 8 loss to Marlboro. The Shrewsbury forces were out manned, but managed to make the initial score in the last period.

The Athletic Field was the scene of the next game when S. H. S. faced a strong Trade team. Frequent fumbles by Shrewsbury enabled Trade to come out on top 28 to 8.

South High, triggered by Jim Burno, Chuck Colebrook, and Dave Hagstrom, handed Shrewsbury its third loss. For awhile it looked as if the "Colonials" might have an upset in the making, but the powerful city team finally ran away with a 44 to 6 victory.

Shrewsbury next met St. Johns' Prep on a wet, rainy day. The Colonials tied it up in the second quarter on a 68 yard run by Dick Qualey. The final score was 36-12 despite the efforts of the team.

The Wachusett game, which is usually close, was a tough one to lose. It was a 6 to 6 ball game when, with less than two minutes left, John Waskiewicz found a hole in the Shrewsbury line and scampered 25 yards for the winning touchdown.

North High entered our game with fire in their eyes, seeking revenge after last year's tie game which ended a long winning streak. It looked like a romp for the "Polar Bears," when they scored on the first play. The "Colonial" defenses toughened, however, and contained North's potent offense on future plays.

The climax of the season was reached on Thanksgiving Day with a 24 to 8 victory. The hard fighting "Colonials" ripped the Dandies' highly touted passing attack with a fine defense. The game was highlighted by the fine play of seniors in their last effort for Shrewsbury High. Co-Captains Dick Qualey and Dennis Leroux, along with Dick Lorusso, Ray Sullivan, Mason Ide, John Rosiello, Roger Puize, Bob Hayes, and Tom Kilroy all played an excellent final game.

A winning season is wished to next year's team and it's Co-Captains Jerry Burns and John Berg.

The 1959-60 basketball season has been a great and unforgettable one for Shrewsbury High School. Clinching the Central Massachusetts Conference League Championship was the highlight of the season. With an eighteen and five record the "Colonials" have enjoyed one of the best seasons ever. The team's eighteen victories matched the previous all time high for a Shrewsbury squad.

The season opened on the Wachusett Regional court with the S. H. S. five scoring a victory over the "Mountaineers" in a fast-moving and thrilling game.

The next games were with the city teams of South, North and Commerce. These teams invaded and over-powered Shrewsbury and the inexperienced "Colonials" fell to defeat. Gaining poise and experience the hard fighting Shrewsburyites turned in eight consecutive wins, flashing the form that eventually brought them to the league title. This winning streak came to an end with a disheartening overtime loss at Northbridge, before a highly partisan crowd. This victory for the "Rams" moved them into a tie for first place in the Central Massachusetts Conference. With the league leadership in danger, the "Colonials" then turned back a strong Milford quintet by Co-Captain John Jasper's decisive scoring in the last three seconds of play.

Following were victories over Marlboro, Auburn, Maynard, Hudson, and Clinton, thus setting the stage for the championship clash with Northbridge. The "Colonials" led throughout the first half of this game, but found themselves trailing by five points entering the fourth period. With three minutes of play remaining, and down by six points, the S. H. S. five spurted into the lead and defeated the "Rams" in the most exciting and thrilling game ever played on the new Shrewsbury court. This 60-55 victory captured the league title for the "Colonials."

Along with the team annexing the league championship, John Jasper won the Central Massachusetts Conference scoring title, and also broke the school scoring record, pouring in over 400 points for the season. Brian Grimley and Seth Cummings also starred throughout the season scoring 218 and 214 points respectively.

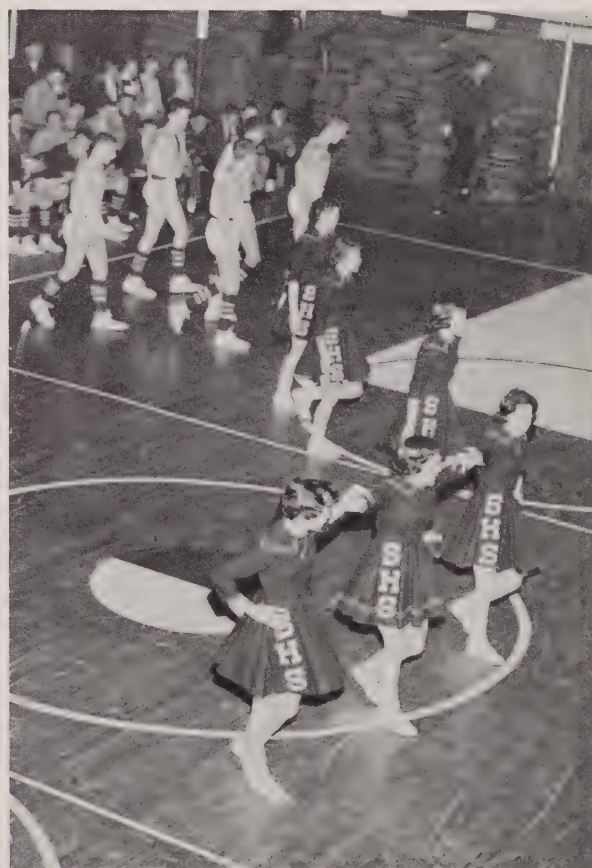

Graduation will mean the loss of Tom Kilroy whose inspirational play and leadership has meant a great deal to the success of the "Colonials" throughout the season. Also lost through graduation will be Brian Grimley and Co-Captains John Jasper and Bob Casey.

Shrewsbury has advanced to the final round of the annual Bay State Tournament by defeating Billerica and Methuen High. The Colonials met Reading High for the championship, March 19, in class B play.

Hopes for another winning season are bolstered by the return of many lettermen. The varsity players returning are George Perkins, Seth Cummings, Mike Costello, Mike Foley, Roy Chesley, and Lee Pine.

"Nice jump John."

"Time out."

In the fall of this year the cross country team displayed their ability by a victorious season. With Ralph Pendleton as coach and Brian Grimley as captain the boys came through with eight wins out of ten meets. Among the highlights of the season were the Knights of Columbus race, in which Shrewsbury placed third, and six members were presented trophies.

With a 41 to 110 score, Shrewsbury walked off with first place at the Wachusett Invitational meet. George Flynn, Seth Cummings, and Dick Dupre received individual trophies.

At the league meet Shrewsbury again won without strain. Besides winning the team trophy, five members—George Flynn, Seth Cummings, Brian Grimley, and Dane Hanson—took individual trophies home. The captain for next year's cross country team is Arnold Carey, and to him a rewarding season is wished.

Baseball Team Starts Early Indoor Practice

Making plans for the coming season.

The outlook for the baseball season doesn't look as promising as in the past, but with a lot of practice we can be sure that the squad will improve as the season progresses. The only returnees from last year are Thomas Kilroy, Robert Casey, Seth Cummings, George Perkins, Robert Garabedian, Wayne Garabedian, and John Powers. Practice for the coming baseball season will begin indoors in late March with the first game in April. The team will compete for the second year in the strong Central Massachusetts Conference. The team is looking forward to practicing on the diamond behind the new high school. With Coach Kleminich's leadership, new facilities, and the student body's support, a successful season is hoped for.

With Eight Schools Participating . . .

New England Regatta Held On Lake Quinsig.

First Row: W. Vigneault. Second Row: D. Garvey, M. Ide, N. Lessard, P. Wivagg. Third Row: D. Morel, C. Michalak, D. Millbury, R. Riding.

The crew is looking forward to a busy season. Besides its regular schedule, the boys will help out with the Intercollegiate Sprints. Although Coach Burns lost four regulars last season, he is assured of many fine replacements. Some of the schools scheduled for this year's competition include Springfield Tech, Colombia, Harvard, Brown, Tabor and Kent.

The season will be climaxed with the exciting New England Regatta held on Lake Quinsigamond.
